THE HAIR! THE GREAT PRESERVATIVE OF THE AGE!

No HOME in the Tropics should be without Bo-Prof. Anderson, in 1855, Pronounced it to be the Saver of his Hair ! ROYAL LYCEUM THEATER, STRAND, LONDON, 1

Saturday, Aug. 25th. . 255. It affords me very great pleasure to bear witness to the sur-prising efficacy of "Bogle's Hyperion Fluid." I had occasion to resort to it after losing so much of my hair as to be almost bald, owing to the influence of the chimate, during my tour in the United States. Various much vaunted Hair Restoratives which I had already tried having entirely failed, I was advised to test the value of Mr. Bogle's preparation. I used it dili-gently for some time, when to my great gratification my hair assumed more than its former luxuriance. Hence I can-both from my own experience and that of my friends to whom I have recommended its use- most confidently advise the use of the "Hyperion Fluid" to all who need the use of that which shall restore, nourish, and beautify their hair. For these purposes, I am certain that it is unsurpassed and unsurpa JOHN HENRY ANDERSON,

My hair was falling off in thousands per day; a short interview with my friend has stoped the fall; a few smart rubbing operations, performed by "VOELKER," has made every hair as tast as the Hawaiian on my Magic Chair. 1. in 1859, in Honolulu, recommend it to the world as the Great Hair Preserver.
